Re DC/16/0100/FUL

The council had no objection to the proposed facility but noted the absence of any information on HGV and tractor/trailer movements. The B1387 between the water-tower junction and the Toby's Walks junction with the A12 is in need of improvement and the two junctions have been the sites of accidents. The parish council is concerned at the impact slow-moving traffic may have on this route and the possibility that drivers of other vehicles may choose to take the B1125 through Blythburgh village instead, adding to an already unacceptable rat-run.

15/136. Discuss and approve the payment made by the Clerk for the Council,

£35 registration renewal for ICO.

Agreed

15/137. To discuss any other matter the Chair will allow

None to discuss

Date of next meeting
